Film. Anthology film series are rare compared to their TV and radio counterparts. There have been several attempts within the horror genre to have a franchise with an anthology format, such as with the Halloween franchise where the third film, Halloween: Season of the Witch, was meant to be the beginning of a series of anthology horror films, but due to negative reception that plan was shelved.

The word "uneven" is built-into any anthology film, and "The 100 Candles Game" is no exception. But here, the least interesting "story" of the eight sampled, is the framing tale, four people gathered in a candle-lit room telling tales of terror, then sent off to see if they see something spooky in a mirror in...
