The 7 Habits of Highly Effective People, first published in 1989, is a business and self-help book written by Stephen R. Covey. Covey presents an approach to being effective in attaining goals by aligning oneself to what he calls "true north" principles based on a character ethic that he presents as universal and timeless. Covey defines effectiveness as the balance of obtaining desirable ...

Habits are actions and behaviors we perform subconsciously, and they're insanely difficult to break. This is because when we form and repeat habits, the chemical dopamine is released to the brain, causing a feeling of pleasure and a strengthened habit. This is why it's so important for your children to develop healthy habits from an early age.

The 177 self-made millionaires in my Rich Habits study who found a mentor, cut their path to becoming rich down from 32 years to 12 years. And, even more important, they accumulated nearly two times the average wealth (\$7.4 million vs. \$3.4 million) of other self-made millionaires in my study who had no mentor in life.
