The Adoption of Children (Scotland) Act, 1930 introduced legal adoption into Scotland from that year. Adoptions since then have been arranged by charitable bodies or by local authority social work departments and then ratified by the civil courts. The majority of adoptions are ratified through the local sheriff courts, although a tiny number ...

SCOTLAND'S NATIONAL CHILDREN'S CHARITY. The coronavirus crisis has brought huge challenges for families across Scotland. Families have told us they are unable to get work, worried where the next meal is coming from and overwhelmed by stress, loss and bereavement. Children and families' lives will continue to change because of coronavirus.

The 2013 Census reports that there are 18.9 million poor whites in America, while there are 11 million poor blacks in the same year. With the adoption costs of black children significantly lower than the cost to adopt a white child, there is a clear disadvantage or discrimination against white children needing adoption.
