CAD managers assume the combined roles of CAD drafter, IT department, and manager in design and engineering firms. They differ from CAD coordinators who take a holistic view of the company's design production capability and focus on overarching production related issues to ensure that production never stops.

This is a list of file formats used by computers, organized by type. Filename extensions are usually noted in parentheses if they differ from the file format name or abbreviation. Many operating systems do not limit filenames to one extension shorter than 4 characters, as was common with some operating systems that supported the File Allocation Table (FAT) file system.
