Philology, traditionally, the study of the history of language, including the historical study of literary texts. It is also called comparative philology when the emphasis is on the comparison of the historical states of different languages. The philological tradition is one of painstaking textual analysis, often related to literary history and using a fairly traditional descriptive framework.

If you are moving to Germany, then it is possible you may want to bring a lot of your stuff with you. If this is the case, then be aware that your possessions, including cars and electronics, will be expected to conform to the letter to all the rules and regulations that govern them, so you may need to get things modified to meet the standards.

Hitler's youth and dynamism, epitomized by his much-advertised campaign flights across Germany, became a selling point. Against the aura of aristocratic dignity that clung to the remote, eighty-four-year-old Hindenburg, the Nazis offered the modernity and glamour of a candidate who took to the skies to meet face-to-face with the German people.
