Kit Knightly. Following the (completely contrived) Capitol Hill "riot" on January 6th, Joe Biden made it clear – or rather, the people that control Joe Biden made it clear – "domestic terrorism" was going to be a defining issue of his presidency.. Indeed, in an act of startling prescience, the incoming administration had been talking about a new "Domestic Terrorism Bill" for ...

In practice, companies too often approach geographic expansion strategy with less rigor than the potential opportunity and risk warrant. Geographic expansion can quickly take down a company as it siphons off critical resources from existing geographical battlefields to fight new battles, in new geographies, against often new competitors.

Binary Options Trading Requires Very Little Experience. The common misconception is that binary options trading and forex trading can only be done by one that has a certain amount of experience in the area. There is no requirement to have any previous experience in financial trading and with a little time, any skill level can grasp the concept of binary options trading.
