I love, love when we do a craft that is not only open-ended but is one the entire family can join in on. We made these paper bag monster puppets last week and it was such a joy to pull out the craft supplies and sit around the table all together as a family and each of us create our own unique monster. If you are looking for a fun Halloween craft the whole family can enjoy, grab the craft ...

To quickly and easily make puppets, trace a character onto a piece of paper or cardstock. Color in the character, and if you're using a thin piece of paper, attach it to a thicker backing to make it sturdier. Then, place the character facedown, and position the end of a plastic straw in the middle of the paper.
