A trade mark can only be protected as such and defended under the Trade Marks Act, 1993 (Act 194 of 1993) if it is registered. Unregistered trade marks may be defended in terms of common law. The registration procedure results in a registration certificate which has legal status, allowing the owner of the registered trade mark the exclusive right to use that mark.

A trade mark can be your most valuable marketing tool. Sometimes called a brand, your trade mark is your identity - the way you show your customers who you are. The more successful your business, the more valuable your trade mark becomes. You can produce a trade mark and use it to promote your goods and services without registering it. You can even add a TM (for trade mark) to your product labels.
