Scale Studies (One String) for the Cello, Book One presents the advanced cellist with an exciting array of scale studies and variations up a single string. The books in this series are particularly useful as essential daily technique, helping the cello player acquire a mental map of the higher positions of the fingerboard, and prepare for scales in concert literature.

So you can start by just playing bass lines then play higher up the neck for solos (as I do in the video). - You can start the CMaj7 arpeggio at the 8th fret of the E string, keep the FMaj7 in the same place, play the Dmin7 at the 10th fret, E string and G7 as the diagram. They will all then be close to each other on the fretboard.
