Firestorm. The setting of small fires was a

common way to clear forest land for farming and railroad construction. On the day of the Peshtigo fire, a cold front moved in from the west, bringing strong winds that fanned the fires out of control and escalated them to massive proportions. A firestorm ensued. In the words of Gess and Lutz, in a firestorm "superheated flames of at least 2,000 ...

The Kuwaiti oil fires were caused by Iraqi military forces setting fire to a reported 605 to 732 oil wells along with an unspecified number of oil filled low-lying areas, such as oil lakes and fire trenches, as part of a scorched earth policy while retreating from Kuwait in 1991 due to the advances of US-led coalition forces in the Persian Gulf War. The fires were started in January and ...

"Between Two Fires" was the first book I read by Christopher Buehlman, and I immediately went out and got all of his other work as soon as I was done with this one - but I think it is still my favorite. Set during the Black Plague, this is a strange blend of

historical horror and fantasy that follows a knight turned brigand, and disgraced ...
