Course Overview Hi everybody. I'm David Chappell. Welcome to my course, Understanding Machine Learning. I'm the principal of Chappell and Associates in San Francisco, California, and I'm convinced that the rise of machine learning is among the most important trends of our time.

[Understanding Machine Learning - Pluralsight](#)

Understanding the Times offers a fascinating, comprehensive look at the how the tenets of the Christian worldview compares with the five major competing worldviews of our day: Islam, Secular Humanism, Marxism, New Age, and Postmodernism. Understanding the Times is a systematic way to understand the ideas that rule our world.
