In 2008, my friend Iain and I booked out a theatre in Toronto for a screening of the film to raise money for charity. I know this film practically as well as I know my own personal story and now I wish somehow the oral history of it could be its own film. And of course I desperately wish we could see all the unused footage.

These days, having a case of the Mondays every Monday morning and being miserable in a boring 9-to-5 job is normal—but that's no way to live. If being miserable at work is normal, then I don't want to be normal. I want to be different. Because the truth is: It is possible to find

[How to Find Your Dream Job | RamseySolutions.com](#)

Although I've long suspected that hiring managers put every possible requirement they can dream up on there, with little hope that the right person for the job will have all the qualifications, I never thought of it as a wish list more than anything else. And yet, that's what one coach is comfortable calling it.
